

Latevo App Software License Agreement Terms of Use

IMPORTANT: By using LATEVO SOFTWARE ("SOFTWARE"), you agree to be bound by this software license agreement

Single Use License

Please read this software license agreement ("license") carefully before using your software or downloading the software update accompanying this license. By using our software or downloading a software update, as applicable, you are agreeing to be bound by the terms of this license. If you do not agree to the terms of this license, do not use the software or download the software update.

1. General

(a) The LATEVO SOFTWARE ("SOFTWARE") (including any embedded software), documentation, interfaces, content, fonts and any data that came with your SOFTWARE, and as may be updated or replaced by feature enhancements, software updates or system restore software provided by LATEVO, whether in read only memory, on any other media or in any other form (the Original SOFTWARE and SOFTWARE Updates are collectively referred to as the "SOFTWARE") are licensed, not sold, to you by LATEVO Inc. ("LATEVO") for use only under the terms of this License. LATEVO and its licensors retain ownership of the SOFTWARE itself and reserve all rights not expressly granted to you.

(b) LATEVO, in its discretion, may make available future SOFTWARE Updates for the SOFTWARE. The SOFTWARE Updates, if any, may not necessarily include all existing software features or new features that LATEVO releases for newer or other models of SOFTWAREs. The terms of this License will govern any SOFTWARE Updates provided by LATEVO that replace and/or supplement the Original SOFTWARE product, unless such SOFTWARE Update is accompanied by a separate license in which case the terms of that license will govern.

2. Permitted License Uses and Restrictions

(a) Subject to the terms and conditions of this License, you are granted a limited non-exclusive license to use the SOFTWARE. This License does not grant you any rights to use LATEVO proprietary interfaces and other intellectual property in the design, development, manufacture, licensing or distribution of third party software applications.

(b) Subject to the terms and conditions of this License, you are granted a limited non-exclusive license to download Software Updates that may be made available by LATEVO for the SOFTWARE to update or restore the software on any device that you own or control. This License does not allow you to update or restore any SOFTWARE that you do not control or own, and you may not distribute or make the SOFTWARE Updates available over a network where they could be used by multiple devices or multiple computers at the same time. If you download a SOFTWARE Update to your computer, you may make one copy of the SOFTWARE Update stored on your computer in machine-readable form for

backup purposes only, provided that the backup copy must include all copyright or other proprietary notices contained on the original.

(c) You may not and you agree not to, or to enable others to, copy (except as expressly permitted by this License), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the SOFTWARE or any services provided by the SOFTWARE, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by licensing terms governing use of open-sourced components included with the SOFTWARE).

(d) You agree to use the SOFTWARE and the Services (as defined in Section 5 below) in compliance with all applicable laws, including local laws of the state or country in which you reside or in which you download or use the SOFTWARE and Services.

(e) Use of and access to certain features of the SOFTWARE and certain Services (as defined in Section 5) may require you to apply for a unique user name and password combination. In addition, you acknowledge that many features and Services of the SOFTWARE transmit data and could impact charges to your data plan, and that you are responsible for any such charges.

3. Transfer

You may not rent, lease, lend, sell, redistribute, or sublicense the SOFTWARE.

4. Consent to Use of Data

(a) You agree that LATEVO and its subsidiaries and agents may collect, maintain, process and use your data made available through the SOFTWARE, which may personally identify you.

(b) Interest-Based Advertising. LATEVO may provide mobile, interest-based advertising to you.

5. Services and Third Party Materials

(a) The SOFTWARE enables access to other LATEVO and third party services and web sites (collectively and individually, "Services"). Such Services may not be available in all languages or in all countries. Use of these Services may require Internet access, may require an ID, may require you to accept additional terms and may be subject to additional fees.

(b) You understand that by using any of the Services, you may encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language, and that the results of any search or entering of a particular URL may automatically and unintentionally generate links or references to objectionable material. Nevertheless, you agree to use the Services at your sole risk and that LATEVO shall have no liability to you for content that may be found to be offensive, indecent, or objectionable.

(c) Certain Services may display, include or make available content, data, information, applications or materials from third parties ("Third Party Materials") or provide links to certain third party web sites. By using the Services, you acknowledge and agree that LATEVO is not responsible for examining or evaluating the content, accuracy, completeness, timeliness, validity, copyright compliance, legality, decency, quality or any other aspect of such Third Party Materials or web sites. LATEVO, its officers, affiliates and subsidiaries do

not warrant or endorse and do not assume and will not have any liability or responsibility to you or any other person for any third-party Services, Third Party Materials or web sites, or for any other materials, products, or services of third parties. Third Party Materials and links to other web sites are provided solely as a convenience to you.

(d) Financial information displayed by any Service is for general informational purposes only and should not be relied upon as investment advice. Before executing any securities transaction based upon information obtained through the Services, you should consult with a financial or securities professional who is legally qualified to give financial or securities advice in your country or region. Location data provided by any Services is for basic navigational purposes only and is not intended to be relied upon in situations where precise location information is needed or where erroneous, inaccurate, time-delayed or incomplete location data may lead to death, personal injury, property or environmental damage. Neither LATEVO nor any of its content providers guarantees the availability, accuracy, completeness, reliability, or timeliness of stock information, location data or any other data displayed by any Services.

(e) You agree that the Services contain proprietary content, information and material that is owned by LATEVO and/or its licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright. You agree that you will not use such proprietary content, information or materials other than for permitted use of the Services or in any manner that is inconsistent with the terms of this License or that infringes any intellectual property rights of a third party or LATEVO. No portion of the Services may be reproduced in any form or by any means. You agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the Services, in any manner, and you shall not exploit the Services in any unauthorized way whatsoever, including but not limited to, using the Services to transmit any computer viruses, worms, Trojan horses or other malware, or by trespass or burdening network capacity. You further agree not to use the Services in any manner to harass, abuse, stalk, threaten, defame or otherwise infringe or violate the rights of any other party, and that LATEVO is not in any way responsible for any such use by you, nor for any harassing, threatening, defamatory, offensive, infringing or illegal messages or transmissions that you may receive as a result of using any of the Services.

(f) In addition, LATEVO makes no representation that such Services and Third Party Materials are appropriate or available for use in any particular location. To the extent you choose to use or access such Services and Third Party Materials, you do so at your own initiative and are responsible for compliance with any applicable laws, including but not limited to applicable local laws. LATEVO and its licensors reserve the right to change, suspend, remove, or disable access to any Services at any time without notice. In no event will LATEVO be liable for the removal of or disabling of access to any such Services. LATEVO may also impose limits on the use of or access to certain Services, in any case and without notice or liability.

6. Termination

This License is effective until terminated. Your rights under this License will terminate automatically or otherwise cease to be effective without notice from

LATEVO if you fail to comply with any term(s) of this License. Upon the termination of this License, you shall cease all use of the SOFTWARE. Sections 4, 5, 6, 7, 8, 9, 12 and 13 of this License shall survive any such termination.

7. Disclaimer of Warranties

(a) If you are a customer who is a consumer (someone who uses the SOFTWARE outside of your trade, business or profession), you may have legal rights in your state or country of residence which would prohibit the following limitations from applying to you, and where prohibited they will not apply to you. To find out more about rights, you should contact a local consumer advice organization.

(b) You expressly acknowledge and agree that, to the extent permitted by applicable law, use of the software and services is at your sole risk and that the entire risk as to satisfactory quality, performance, accuracy and effort is with you.

(c) To the maximum extent permitted by applicable law, the SOFTWARE and services provided by the SOFTWARE are provided "as is" and "as available," with all faults and without warranty of any kind, and LATEVO and LATEVO'S licensors (collectively referred to as "LATEVO" for the purposes of sections 7 and 8) hereby disclaim all warranties and conditions with respect to the SOFTWARE and services, either express, implied or statutory, including, but not limited to, the implied warranties and/or conditions of merchantability, satisfactory quality, fitness for a particular purpose, accuracy, quiet enjoyment, and non-infringement of third party rights.

(d) LATEVO does not warrant against any of the following: Interference with your enjoyment of the SOFTWARE and services, that the functions contained in or services performed by the SOFTWARE will meet your requirements, that the operation of the SOFTWARE and services will be uninterrupted or error-free, that any service will continue to be made available, that defects in the SOFTWARE or services will be corrected, or that the SOFTWARE will be compatible or work with any devices, third party SOFTWARE, applications or third party services. Installation of this SOFTWARE may affect the usability of third party SOFTWARE, applications or third party services.

(e) You further acknowledge that the SOFTWARE and services are not intended or suitable for use in situations or environments where the failure or time delays of, or errors or inaccuracies in, the content, data or information provided by the software or services could lead to death, personal injury, or severe physical or environmental damage.

(f) No oral or written information or advice given by LATEVO or its agents shall create a warranty. Should the SOFTWARE or services prove defective, you assume the entire cost of all necessary servicing, repair or correction. Some jurisdictions do not allow the exclusion of implied warranties or limitations on applicable statutory rights of a consumer, so the above exclusion and limitations may not apply to you.

8. Limitation of Liability

To the extent not prohibited by applicable law, in no event shall LATEVO be liable for personal injury, or any incidental, special, indirect or consequential damages whatsoever, including, without limitation, damages for loss of profits, corruption or loss of data, failure to transmit or receive any data, business

interruption or any other commercial damages or losses, arising out of or related to your use of or inability to use the SOFTWARE and services or any third party SOFTWARE or applications in conjunction with the SOFTWARE, however caused, regardless of the theory of liability (contract, tort or otherwise) and even if LATEVO has been advised of the possibility of such damages. Some jurisdictions do not allow the limitation of liability for personal injury, or of incidental or consequential damages, so this limitation may not apply to you. In no event shall LATEVO's total liability to you for all damages (other than as may be required by applicable law in cases involving personal injury) exceed the amount of one hundred dollars (U.S.\$100). The foregoing limitations will apply even if the above stated remedy fails of its essential purpose.

9. Digital Certificates

The SOFTWARE may contain functionality that allows it to accept digital certificates either issued from LATEVO or from third parties. You are solely responsible for deciding whether or not to rely on a certificate whether issued by LATEVO or a third party. Your use of digital certificates is at your sole risk. To the maximum extent permitted by applicable law, LATEVO makes no warranties or representations, express or implied, as to merchantability or fitness for any particular purpose, accuracy, security, or non-infringement of third party rights with respect to digital certificates.

10. Export Control

You may not use or otherwise export or re-export the SOFTWARE except as authorized by Australia law and the laws of the jurisdiction(s) in which the SOFTWARE was obtained. In particular, but without limitation, the SOFTWARE may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List. By using the SOFTWARE, you represent and warrant that you are not located in any such country or on any such list. You also agree that you will not use the SOFTWARE for any purposes prohibited by Australia law.

11. Controlling Law and Severability

This License will be governed by and construed in accordance with the laws of the State of Victoria, excluding its conflict of law principles. If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force and effect.

12. Complete Agreement; Governing Language

This License constitutes the entire agreement between you and the LATEVO relating to the SOFTWARE and supersedes all prior or contemporaneous understandings regarding such subject matter. No amendment to or modification of this License will be binding unless in writing and signed by an authorized officer of LATEVO.

13. Third Party Acknowledgements

Portions of the SOFTWARE may utilize or include third party software and other copyrighted material. Your use of such material is governed by their respective acknowledgements, licensing terms, and disclaimers.
